

Using The Bar At Porthtowan Village Hall

The bar can be available to hire for your event.

These are the costs:

- 1) Bar Stocking Fee-£50. This covers paying to get the bar stocked for your event plus a contribution towards our licence costs.
- 2) Bar Staff- these cost £15 per person per hour and these fees go directly to the trained staff that we use. The hall does not keep any part of this money. This will be billed in advance.
- 3) Bar Profit- this goes directly towards the fund-raising of the hall and cannot be split with outside organisations.
- 4) Corkage Fee- for large events where you wish to provide the first drink/bottle of wine on the table, there is a corkage fee of £2.50 per bottle. This includes glass hire/washing and serving by your paid bar staff.
- 5) We primarily sell bottles and cans. Draught beer can be arranged in special circumstances but would attract extra costs.

Running your own bar

If you prefer not to use our facilities, you can set up your own bar area. Please note these costs do not include use of any hall glasses/staff/stock.

Costs:

- 1) Serving your own alcohol to your guests at a private event £50.
- 2) Selling your own alcohol for profit to your guests at a private event £75. This includes a contribution to the licence.

If you do wish to use our bar area, then we would need to arrange for our own stock to be removed and then replaced at a cost of £50.

You could then use the glasses and fridges etc.

These would need to be left clean and tidy at the end of your event too

Many thanks for supporting our local community hall.
